EURO CORK

A naturally beautiful & healthy flooring solution.

Cork flooring creates a warm, clean, quiet, and relaxing ambiance. Cork has been used as a flooring material for hundreds of years. It provides acoustical and thermal insulation, it cushions the feet, and it is resistant to moisture. EuroCork Flooring is easy to clean, with proper maintenance your floor will last for years to come.

CHOOSING SUSTAINABILITY

The Cork Harvesting does not harm the tree which is never cut down or removed.

Cork Oak remains the only tree whose bark can regenerate itself after harvest, leaving the tree unharmed. The tree lives up to 200 years, and are harvested every 9 years!

Cork is a remarkable wood species and is 100% Biodegradable, Recyclable, and Renewable.
